## Move-Out Cleaning Checklist

### General

- Remove all personal belongings (leave nothing behind)
- Remove nails, anchors, screws, and wall mounts
- Repair and paint holes to match walls
- Clean baseboards, corners, and remove cobwebs
- Vacuum carpets and mop all hard floors
- Clean all sinks, closets, and shelves
- Replace burnt or missing light bulbs
- Replace broken blinds
- Replace HVAC filter

### Kitchen

- Clean all appliances inside and out (oven, stove, fridge, microwave, dishwasher)
- Clean cabinets and drawers (inside and outside)
- Clean vent hood and filter
- Clean under the sink

### Bathrooms

- Clean toilets, sinks, tubs, and showers
- Clean mirrors and cabinets
- Remove soap scum and water stains
- Clean tile, grout, and caulk

### Exterior (if applicable)

- Remove all trash and personal items
- Mow lawn and remove leaves if required
- Clean garage, driveway, porches, and entry areas

### Keys & Access Items

- Return all keys, remotes, and access devices
- Do NOT leave keys inside without written approval

**Important:** The property must be returned in clean, move-in ready condition. Incomplete items may result in cleaning or repair charges deducted from your deposit.
